先对对象，帮助表达，明确结束

重建材料；当前版本只做模拟语音与模拟提交。没有确认的信息，不向观众承诺。

01 / 邀请与区域

“我们想了解您对[对象]的看法。愿意的话，可以轻触 NFC 或扫码进入；不参加也完全没关系。” 演示时补充：语音用样例，内容不会送出。

A 整体体验	P 具体产品	T 座谈 / 演讲
任选最有感受的一点	先确认产品；区分第一印象和使用经验	先确认标题 / 场次；谈内容、理解或体验

02 / 不知道怎么答时

“您可以只说最有感受的一点。” → “如果愿意，可以说说是什么让您有这个感觉。”
不方便说就选择文字；不想继续就结束。不提示正面答案、不代写、不强迫补充。

03 / 异常：先查 → 替代 → 停止 → 交接

现象	下一步与停止条件
入口 / 网络失败	无内容：核实对象，换同对象已核实入口或网络。 一次恢复仍失败就停；已有内容先勿刷新。指南 E1 / E2。
对象错误	暂停填写，核对物料与页面；无正确入口就停。 已有内容不承诺迁移；通知负责人停用错配物料。E3。
语音不可用	转文字；当前演示不录音。一次恢复仍失败就停。E4。
提交失败 / 结果不明	只在确认可安全重试时重试一次；不明就不再提交。 保留原页，可结束等待；记录“结果不明确”，交后台查。E5 / E6。

04 / 收尾与最小记录

记：时间、区域 / 入口、对象、困难、协助与重试次数、最后状态、交给谁。
区分：独立完成 / 协助后完成 / 未完成 / 结果不明确。另记真实接收是否核实。
当前 Demo complete ≠ 真实送达；刷新会清空演示草稿。不收集无关个人信息。

POCKET REFERENCE / A4 / PRINT SEPARATELY

Check. Support. Finish clearly.

Reconstruction. The current version simulates voice and submission. Do not promise anything that has not been confirmed.

01 / Invite and identify the area

“We’d like to hear your views on [subject]. If you’d like to take part, tap the NFC card or scan the QR code. It is entirely optional.” For a demo, add: “Voice uses sample text and nothing is sent.”

A / EXHIBITION	P / PRODUCT	T / TALK OR SESSION
Choose one thing that stood out.	Confirm the product; separate first impressions from use.	Confirm title / session; discuss content, understanding or experience.

02 / If they do not know what to say

“You can share just one thing that stood out.” Then, if useful: “What made you feel that way?” Offer text if voice is inconvenient; let them stop. Do not suggest praise, write for them or insist on more.

03 / Check, try an alternative, stop, hand over

SYMPTOM	NEXT STEP AND STOP CONDITION
Entry / network fails	With no draft: verify the subject; try a verified alternative entry or network once. Stop if it still fails. Do not refresh a draft. E1 / E2.
Wrong subject	Pause. Match material and page; stop if no correct entry exists. Do not promise draft transfer. Ask the lead to pause wrong material. E3.
Voice unavailable	Switch to text; the demo does not record. Stop after one failed recovery attempt. E4.
Submit error / unclear	Retry once only if confirmed safe. If unclear, do not resubmit. Keep the page if open, let them leave and ask backend to check. E5 / E6.

04 / Finish and record the minimum

Log time, area / entry, subject, difficulty, help, retries, last state and owner.
Choose: Independent / With help / Not completed / Unclear. Separately record verified receipt.
Demo complete is not live receipt. Refreshing clears the demo draft. No unrelated personal data.

Lead / channel: _____ Backup: _____
Technical / backend contact: _____ Follow-up time: _____
These stop rules are proposed. Confirm entries, live completion and safe retries before field use.
